

# Here I Go Again

The Hollies

Here I go again  
Watch me now 'cause  
Here I go again.

I've been hurt so much before  
I told myself, yes I did  
No more, no more won't get hurt any more

There I was all by myself  
Doing all right  
Until I saw you last night

And then I knew that  
Here I go again  
I can't help it  
Here I go again

Makin' the same mistakes  
Headin' for more heartaches  
What can I do when there's nothing I can do  
I looked in your eyes and I knew that I was through

What's the use  
I'll just give in  
Try as I may, and I do  
I'll never win, never win, baby I'll never win.

Now, you're here, so close to me  
I can't resist you  
And I knew when I kissed you

I'm gonna say now  
Here I go again  
Watch me now 'cause  
Here I go again

Falling in love, in love  
Falling in love, in love  
Falling in love, in love  
Falling in love
