

Honey And Wine

The Hollies

My daddy used to tell me
When I was under his wing
If you want to live a good life
Just remember one thing
Though the world that we live in
Can be so unkind
If you love a good woman
It's all honey and wine

Less I could do
I thought my daddy was wrong
Girl, I was so lonely
And then you came along
You get and said hold me
You get the kissin' was fine
Now I ready for the tastin'
Was the honey and wine

It's all honey and wine now
It's all honey and wine
If you love a good woman, yeah
It's all honey and wine

It's all honey and wine now
It's all honey and wine
If you love a good woman, yeah
It's all honey and wine

It's all honey and wine now
It's all honey and wine
It's all honey and wine
