I'll Be Your Baby Tonight

The Hollies

Close your eyes, close the door You don't have to worry anymore I'll be your little baby tonight

Shut the light, shut the shade You don't have to be afraid I'll be your baby tonight

Well the mockingbird's gonna sail away
You won't regret it
The big fine moons gonna shine like a spoon
You won't regret, you won't forget
To get your shoes off
Do not fear
Bring that bottle over here
I'll be your baby tonight

I'll be your baby tonight
