

# I Shall Be Released

The Hollies

They say every thing must be replaced  
They say every distance is not near  
Yet I remember every face  
Of every man who put me here

I see my light come shining  
From the west down to the east  
Any day now, any way now  
I shall be released

They say every man needs protection  
They say that every man must fall  
Yet I swear I see my reflection  
Somewhere so high above this wall

I see my light come shining  
From the west down to the east  
Any day now, any way now  
I shall be released

Standin next to me in this lonely crowd  
A man who swears he's not to blame  
All day long I hear him shoutin so loud  
Cryin' out that he was framed

I see my light come shining  
From the west down to the east  
Any day now, any way now  
I shall be released

Any day now, any way now  
I shall be released
