I Understand

The Hollies

I understand when you hold my hand so tight I understand when you kiss and say good night When we're walking hand-in-hand Oh baby I understand

Trying to forget isn't an easy task A little bit of loving is all I ask When you're away I feel so blue Oh baby I'm in love with you

Your face haunts me and I know why
It's because of that twinkle in your eye
When you're away I feel so blue
Oh baby I'm in love with you

Oh baby I understand Oh baby I understand
