

It's in Her Kiss

The Hollies

Does she love me I wanna know
How can I tell if she loves me so

Is it in her eyes (No no you'll be deceived)
Is it in her sighs (No no she'll make believe)
If you wanna know if she loves you so
It's in her kiss (That's where it is)

Is it in her face (No no that's just her charms)
In her warm embrace (No no that's just her arms)
If you wanna know if she loves you so
It's in her kiss (That's where it is)
Oh yeah it's in her kiss (That's where it is)

So hold her and squeeze tight
Tell her what you wanna know
If it's love if it really is
It's there in her kiss

How 'bout the way she acts (No no that's just her way)
You're not listening to the words that I say
If you wanna know if she loves you so
It's in her kiss (That's where it is)
Oh yeah it's in her kiss (That's where it is)

Oh yeah it's in her kiss (That's where it is)
