

Slow Down

The Hollies

Got to stop from running
Got to make myself slow down
If I need some loving
Got to find some love around

I can't hold on
It's been so long
And I'd do anything
To find some love good love
If I slow down
If I take a look around
Maybe I'll come across
Some home sweet home

If I slow down
Yeah if I slow down
If I slow down
Yeah if I slow down

I can't hold on
It's been so long
And I'd do anything
To find some love good love
If I slow down
If I take a look around
Maybe I'll come across
Some home sweet home

Got to stop from running
Got to make myself slow down
If I need some loving
Got to find some love around

If I slow down
Yeah if I slow down
If I slow down
Yeah if I slow down
