

# Touch Me

The Hollies

I was alone weighing all my fantasies  
Until you came and liberated me  
And taught my soul much about humanity yea yea yea  
I needed you to know  
I'm more than just a one night stand  
And girl with your permission  
Maybe you can give me your hand  
I'm at your command

It's just the way you touch me baby  
Oh it's the way you touch me baby  
We can walk we can talk all night long  
It's the way you touch me baby

I was alone grasping for my sanity  
Your beauty came free of vanity  
Wo blew my mind gave me your anatomy yea yea yea  
And if you didn't know  
I'm more than just a one night stand  
I need some supervision  
I'm losing all control of my hands  
They're at your command

It's just the way you touch me baby  
Oh it's the way you touch me baby  
We can walk we can talk all night long  
It's the way you touch me baby

And if you didn't know  
You got me feeding from your hand  
My chef is gonna blow  
And baby it ain't going to end until your command

It's just the way you touch me baby  
Oh it's the way you touch me baby  
We can walk we can talk all night long  
It's the way you touch me baby
