

# Weakness

The Hollies

Walk on a lonely street,  
Don't know where I am,  
I don't understand

Lost in the wilderness  
And I burn for you  
In the solitude

No matter where I go I can't forget  
Sometimes I wish we'd never met

You're my weakness  
In the middle of the night  
And I wonder who you're dreamin of  
You're my weakness  
And as hard as I fight  
Lying here without you  
And I'm feeling like the end of the world

The end of the world

My heart is an empty place full of memories  
That I can't erase  
Time could be standing still  
And for all I know  
It forever will

Without my arms around you I feel cold  
In deep and losing all control

You're my weakness  
In the middle of the night  
And I wonder who you're dreamin of  
You're my weakness  
And as hard as I fight  
Lying here without you  
And I'm feeling like the end of the world

Give me a reason to give up on you  
I'm watchin and waitin for shooting stars  
To shine on you

You're my weakness  
In the middle of the night  
And I wonder who you're dreamin of  
You're my weakness  
And as hard as I fight  
Lying here without you  
Lying here without you
