

# Cruisin'

Holly Cole

Baby lets cruise,  
Away from here.  
Don't be confused,  
The way is clear.  
And if you want it  
You've got it forever.  
No this is not a one night stand.  
So just let the music take your mind.  
So just release and you will find  
That you're gonna fly away,  
Glad you're going my way.  
I love it when we're cruisin together.  
Ya music is made for love,  
Cruisin in playful love,  
I love it when we're cruisin together.  
Baby tonight belongs to us.  
Everything is right,  
Just do what you must.  
And inch by inch  
We get closer and closer  
To every little part of each other, ya.  
So just let the music take your mind.  
Just release and you will find  
That you're gonna fly away,  
Glad you're going my way.  
I love it when we're cruisin together.  
Ya music is made for love,  
Cruisin in playful love,  
I love it when we're cruisin together.  
Baby tonight belongs to us.  
Everything is right,  
Just do what you must.  
And inch by inch  
We get closer and closer  
To every little part of each other, ya.  
So just let the music take your mind.  
Just release and you will find  
That you're gonna fly away,  
Glad you're going my way.  
I love it when we're cruisin together.  
Ya music is made for love,  
Cruisin in playful love,  
I love it when we're cruisin together.  
Ya music is made for love,  
Cruisin in playful love,  
I love it when we're cruisin together.
