

# God Only Knows

Holly Cole

I may not always love you  
As long as there are stars above you  
You never need to doubt it  
I'll make you so sure about it

God only knows what I'd be without you

If you should ever leave me  
Though life would still go on believe me  
The world could show nothing to me  
So what good would living do me

God only knows what I'd be without you

God only knows what I'd be without you

God only knows what I'd be without you

God only knows what I'd be without you

I may not always love you  
As long as there are stars above you  
You never need to doubt it  
I'll make you so sure about it

God only knows what I'd be without you

God only knows what I'd be without you

God only knows what I'd be without you

God only knows what I'd be without you

God only knows what I'd be without you

God only knows what I'd be without you
