## **Loving You**

Loving you is not a choice It's who I am Loving you is not a choice It's not much reason to rejoice It gives me purpose Gives me voice to say to the world This is why I live You are why I live

Loving you is why I do the things I do Loving you is not in my control Loving you I have a goal of what's left in my life I will live and I would die for you

You give me purpose You give me voice to say to the world This is why I live You are why I live Loving you is why I do the things I do Loving you is not in not in my control But loving you I have a goal of what's left in my life I will live and I would die for you
