

Love Across The Line

Holly Dunn

Two a.m. in Austin that truck stop looks promising
But don't they all
That Silver Eagle's slowing down
Maybe there'll be time enough to call
I don't want to wake him but if I wait later then
I'll miss my chance
I just want to hear his voice
I've just got to know he understands
I send my love across the line
The road leads back to us
Until then I send my love across the line
I wish that I could be there to show him
That he is where I'd rather be
But for now these words along the wire
Will have to take the place of me
I wonder if we ever know
The reasons why we take the roads
That drive us on
When all that really matters
Are the ones we always leave behind at home
I send my love across the line
The road leads back to us
Until then I send my love across the line
The road leads back to us
Until then I send my love across the line
