

There Goes My Heart Again

Holly Dunn

There goes my heart again. Here comes the hurt back in.
You'd think I'd learn by now to let you go.
With just one look from you my heart start beating blue.
Just when it's on the mend, there goes my heart again.

I'd tried to talk it out of lovin' you, but my heart has a mind
of its own.
It won't forget you like I told it to. I wish it would leave yo
u alone.

There goes my heart again. Here comes the hurt back in.
You'd think I'd learn by now to let you go.
With just one look from you my heart start beating blue.
Just when it's on the mend, there goes my heart again.

(Instrumental Break)

I was doin' fine for a little while even with no one to hold.
I slowed it down 'til I saw your smile. Now it's racing out of
control.

There goes my heart again. Here comes the hurt back in.
You'd think I'd learn by now to let you go.
With just one look from you my heart start beating blue.
Just when it's on the mend, there goes my heart again.
Just when it's on the mend, there goes my heart again.
