## Do You Get High?

## **Holly McNarland**

When I come up I want to see Out of my hips all inside me Should I hold on Before it's almost over Gave to me a famous cold shoulder I jump for you table for two

Do you get high from his eyes? Morning my boy in my arms I turn to him to see you Do you get high?

You take it all just exhale in I kiss the mouth we made for him So happy sad I'm everything He shuts his eyes to hear me sing He's getting tired for the day When I come up I want to see
