

## Mr. 5 Minutes

Holly McNarland

Sour Pie  
If I tell the truth, would you scold me  
If I came for you, would you hold me  
Does my nude blush you,  
I can't change me  
But my bridge still stands, she awaits me  
And would it bother you  
If I played by myself  
I honestly didn't mean to wake you up  
Mister five minutes, 5 more minutes please  
'Cause i'm not finished, I'll finish myself
