

Down Boy

Holly Valance

Down boy
Keep you down boy

I'm the one that you would die for
The one you long to touch
The one you live our life for
I know it's much

The more you see, the more you want
The more you taste, it just gets better
The more you get, the more you like it
Don't go too far, I won't let you

Down boy
Won't you bring me down boy
Gotta keep you down
If you want me with you
Down boy
Won't you bring me down boy
Gotta keep you down
Some things I just won't do

Down boy
Won't you bring me down boy
Gotta keep you down
If you want me with you
Down boy
Won't you bring me down boy
Gotta keep you down
Some things I just won't do

Do anything to please me
I got you where I want
I know how much you need me
Just wanna get it up

The more you see, the more you want
The more you taste, it just gets better
The more you get, the more you like it
Don't go too far, I won't let you

Down boy
Won't you bring me down boy
Gotta keep you down
If you want me with you
Down boy
Won't you bring me down boy
Gotta keep you down
Some things I just won't do

Down boy
Won't you bring me down boy
Gotta keep you down
If you want me with you
Down boy
Won't you bring me down boy
Gotta keep you down

Some things I just won't do

Gotta keep you down

Gotta keep you down

Gotta keep you down

Some things I just won't do

Some things I just won't do

Some things I just won't do

Some things I just won't do

The more you see, the more you want

The more you taste, it just gets better

The more you get, the more you like it

Don't go too far, I won't let you

Down boy

Won't you bring me down boy

Gotta keep you down

If you want me with you

Down boy

Won't you bring me down boy

Gotta keep you down

Some things I just won't do
