

# Down Boy

Holly Valance

Down boy  
Keep you down boy

I'm the one that you would die for  
The one you long to touch  
The one you live our life for  
I know it's much

The more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let you

Down boy  
Won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
Won't you bring me down boy  
Gotta keep you down  
Some things I just won't do

Down boy  
Won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
Won't you bring me down boy  
Gotta keep you down  
Some things I just won't do

Do anything to please me  
I got you where I want  
I know how much you need me  
Just wanna get it up

The more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let you

Down boy  
Won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
Won't you bring me down boy  
Gotta keep you down  
Some things I just won't do

Down boy  
Won't you bring me down boy  
Gotta keep you down  
If you want me with you  
Down boy  
Won't you bring me down boy  
Gotta keep you down

Some things I just won't do

Gotta keep you down

Gotta keep you down

Gotta keep you down

Some things I just won't do

Some things I just won't do

Some things I just won't do

Some things I just won't do

The more you see, the more you want

The more you taste, it just gets better

The more you get, the more you like it

Don't go too far, I won't let you

Down boy

Won't you bring me down boy

Gotta keep you down

If you want me with you

Down boy

Won't you bring me down boy

Gotta keep you down

Some things I just won't do
