Holly Valance

Oh  
Uh

So here we are boy I can tell by just your look you're hooked  
You wanna get with me I think you have mistook the time  
The time is not now, not tomorrow, no why  
Don't want another here's why

You're like a broken record  
Play another tune baby  
Ahhhhh  
Those creepy lines  
Never get me in the groove baby  
Ahhhhh

You're just a whooping it up  
Whoop  
Whooping it up  
I, I don't, I don't need a man to have fun  
You're just a whooping it up  
Whoop  
Whooping it up  
I, I don't, I don't need a man to have fun

I admire your resistance  
But I am not the catch  
And that's exactly how it is  
That's where it is at  
I am in the music  
With my girls yeah it's our time  
We'll be rocking all night

You're like a broken record  
Play another tune baby  
Ahhhhh  
Those creepy lines  
Never get me in the groove baby  
Ahhhhh

You're just a whooping it up  
Whoop  
Whooping it up  
I, I don't, I don't need a man to have fun  
You're just a whooping it up  
Whoop  
Whooping it up  
I, I don't, I don't need a man to have fun

You're like a broken record  
Play another tune baby  
Ahhhhh  
Those creepy lines  
Never get me in the groove baby  
Ahhhhh

You're just a whooping it up  
Whoop

Whooping it up  
I, I don't, I don't need a man to have fun  
You're just a whooping it up  
Whoop  
Whooping it up  
I, I don't, I don't need a man to have fun  
You're just a whooping it up  
Whoop  
Whooping it up  
I, I don't, I don't need a man to have fun  
You're just a whooping it up  
Whoop
