

# Love I Think Will Last

Holly Williams

Songwriters: Janson, Chris; Williams, Holly;

This skinny country boy caught my eye  
I'd never could've guessed what I would find  
He laughs about the boys I used to kiss  
But I love him, yes, I love him

Well, that lanky city girl, I could've died  
You see I wanted her real bad and I was shy  
And then she got me drunk and I gave up  
I love her, yes, I love her

I finally found a love, I think could last  
He don't give a damn about my past  
I got a boy who treats me like a queen, like a king  
I don't wanna wake up from this dream  
'Cause I love you, yes, I love you

He likes the way I look when I wake up  
Even if my hair ain't found a brush  
She hates it when I'm talking in my sleep  
Even though I was asking her to marry me

I finally found a love, I think could last  
She don't give a damn about my past  
I got a girl who treats me like a king, like a queen  
I don't wanna wake up from this dream  
'Cause I love you, yes, I love you  
Oh, I love you, yes, I love you

I finally found a love, I think could last  
She don't give a damn about my past  
I got a boy who treats me like a queen, like a king  
I don't wanna wake up from this dream  
'Cause I love you, yes, I love you
