

Famous

Hollywood Ending

Friday night, she's ready to go
Puts on her make up and she's off to the show
She's pulling faces like Marilyn Monroe
I'm sitting here alone

But she can get in
Sidewalk's a catwalk and she's modeling
Whoever's happening is her best friend
Why won't she pick up her phone?
Everywhere she goes, everybody knows

She wants to be famous, famous
Party hopping there's no stopping her tonight
She wants to be famous, famous
She'd do anything to be in the spotlight
She goes oh-oh oh-oh oh-oh
There she goes again
Oh-oh oh-oh oh-oh
She wants to be famous

Hollywood is seeing her sights (Her sights)
She won't stop until her name's in lights (In lights)
Paparazzi flashes blinding her eyes (her eyes)
I'll still be sitting here alone (alone)
Everywhere she goes, everybody knows

She wants to be famous, famous
Party hopping there's no stopping her tonight
She wants to be famous, famous
She'd do anything to be in the spotlight
She goes oh-oh oh-oh oh-oh
There she goes again
Oh-oh oh-oh oh-oh
She wants to be famous

Wherever she goes, the heads turn
Saying where have I seen her before? (Seen her before)
Wherever she goes, I wonder
If I even cross her mind

Oh-oh oh-oh oh-oh
Oh-oh oh-oh oh-oh
Oh-oh oh-oh oh-oh
Oh-oh oh-oh oh-oh

She wants to be famous, famous
Party hopping there's no stopping her tonight
She wants to be famous, famous
She'd do anything to be in the spotlight
She wants to be famous, famous
Party hopping there's no stopping her tonight
She wants to be famous, famous
She'd do anything to be in the spotlight
She goes, oh-oh oh-oh oh-oh
there she goes again
Oh-oh oh-oh oh-oh
She wants to be famous
