

# Forever & Always

## Hollywood Ending

I remember when we were young  
Two kids could fall in love  
All we wanted was to have some fun  
We could never get enough  
When I'm without you every day  
Just feels the same  
But when I'm with you  
I don't want anything to change

So I'm gonna sing a song for you  
Even if I'm always out of tune  
It could be the world against us two  
And you know that I'll be there with you  
If all we've got is time to spend,  
There's nothing we can't do  
I don't wanna grow up  
I just wanna grow old with you

I remember I was running to you  
And you ran into my arms  
I told you that I'd never let you go  
And you kept holding on  
When I'm without you every day  
Just feels the same  
But when I'm with you  
I don't want anything to change

So I'm gonna sing a song for you  
Even if I'm always out of tune  
It could be the world against us two  
And you know that I'll be there with you  
If all we've got is time to spend,  
There's nothing we can't do  
I don't wanna grow up  
I just wanna grow old with you

It seems like just yesterday  
The first time that I saw your face  
It always just feels the same  
There's nothing I wouldn't do  
Just so I could be with you yeah  
Forever and always

So I'm gonna sing a song for you  
Even if I'm always out of tune  
It could be the world against us two  
And you know that I'll be there with you  
If all we've got is time to spend,  
There's nothing we can't do  
I don't wanna grow up  
No I don't wanna grow up  
I just wanna grow old with you
