

Bitches

Hollywood Undead

Bitches I hope you know,
Bitches I hope you know,
Bitches I hope you know
I won't stop 'til I hit that ho,
Baby come say hello
And get your drunk ass over here let's bone
Bitches I hope you know
I won't stop 'til I hit that ho,
Shorty come say hello
And get your drunk ass over here let's bone

Yo I'm up in the club
And the party's jumping,
Bitches passing by
And they're eyeball fucking,
I'm drinking christile
Now they're trying to kiss me,
Saya Funny Man can u you sign my titties,
Now I got four bitches in the back of my Rova,
The Fantastic Four saying "Funny can I blow ya"
Three were preppy and one was scene,
So three for me and one for Charlie

Hey this girl's seventeen
Now I'm a pedophile
Now she's showing me her tits
I think this girl's gone wild
I whipped out my dick
And her jaw hit the floor
Acted like she'd never seen a magnum before (Charlie)
Turn off the lights and now I'm gonna film it
Turn on the night vision
Like she's Paris Hilton
Funny Man walked in
And said, "Chupa mi pito"
And she munched on his dick
Like a macho burrito

Bitches I hope you know
I won't stop 'til I hit that ho,
Baby come say hello
And get your drunk ass over here let's bone
Bitches I hope you know
I won't stop 'til I hit that ho,
Shorty come say hello
And get your drunk ass over here let's bone

Now I'm Cadillacson, candle-waxing
I like your fat ass bitch
grab my jacket
and grab a taxi and get in the back seat
fuck, suck, dick lick, man we nasty
drive fast please cause this boze is not lasting
one to many shots and I seem to be passing
I think this chick is down
yeah she's down for the threesome
I called my homie Jay just to see if he need some

Just got back coming from the bar
rubbing up her sissy's titties
in the back of her car
but your first mistake
you said you liked my band
the seconds one's
you put my undead dick in your hand
and I'm taking secret pics on my cellular phone
I got fingers in places where they don't belong
horny as fuck
pressing my luck
need my dick sucked
so bitch give it up

Bitches I hope you know
I won't stop 'til I hit that ho,
Baby come say hello
And get your drunk ass over here let's bone
Bitches I hope you know

Shorty come say hello
And get your drunk ass over here let's bone
