

War Child

Hollywood Undead

I like to get my fuckin' fade on
I'm feeling sexy, I'm like ooh
Them haters tryin' to get their hate on
But I'm too sexy, I'm like ooh
I'm like, I'm like, I'm like
Like a war child
I'm like, I'm like, I'm like
Like a war child
I'm like, I'm like, I'm like
Like a war child
I'm like, I'm like, I'm like
Fuckin' war child

Up in the club like "What's Up?"
Got a little money, I'mma run-a-muck
Dudes look at me like "He's drunk"
Girls look at me look at me like "That's what's up"
Girl you're a dime, I'm a diamond
I'm diggin' that ass like I'm minin'
Dime sack hidden in my beat up chucks
Watch my back as I roll this blunt

Sipping on a Mai Tai, I'm like, "Hi"
Boozing vision in my ride, I've freed hiding
So many times I always was a shy guy
Always been a SyFy guy with the tie-dye
Up in the club smoking weed now
So drunk, I can't see now
Charlie Scene in the VIP
And I think these girls want the D now

I like to get my fuckin' fade on
I'm feeling sexy, I'm like ooh
Them haters tryin' to get their hate on
But I'm too sexy, I'm like ooh
Whoa
Up in the party, like "Don't front"
Girls you know you wanna have me beat it up
Dudes looking me like "What the fuck ?"
Girls look at me look at me like "That's what's up"
Girl you're a dime, I'm a diamond
I'm lost for words straight, minin'
Dime sack hidden in my beat up chucks
Watch my back as I roll this blunt

I like my woman all shapes and size
Big ol' booty make my eyes grow wide
She like big dick and she cannot lie
Sir Dicks-a-Lot, now I'm yours for the night
I'm a six-inch, sipping on some Bub in public
And she lick, lick, licking on my chubby, lovely
You know this chick is a Funny's honey
She work that ass for the Funny money

I like to get my fuckin' fade on
I'm feeling sexy, I'm like ooh
Them haters tryin' to get their hate on

But I'm too sexy, I'm like ooh
I'm in the club
Imma party like a war child
I'm getting drunk
Yeah I party like a war child
Show me some love
Girl, let's party like a war child
Now throw it up
Like a motherfuckin' war child!
I'm like, I'm like, I'm like
Like a war child
I'm like, I'm like, I'm like
Like a war child
Danny and Funny Man]
I'm like, I'm like, I'm like
Like a war child
Danny and Funny Man]
I'm like, I'm like, I'm like
