

# Heavy Metal Mania

Holocaust

Inside the power cage  
I can feel the music of my age  
It's paranoid... first degree  
Tellin' me that I'm not free

I've got Heavy Metal music in my blood  
And I'd like to give it to you if I could

As I lie in the shroud of darkness  
The wings of light remove the veil  
It's Heavy, Heavy, Heavy  
Heavy Metal Mania all the way  
Rock 'n roll... far too slow  
So the adrenaline just doesn't flow  
Where is the power, where is the glory?  
Heavy Metal is my story
