

Death Bells II

Holy Moses

I will beat you down

I will beat you down

Deadly dynamics

I will beat you down

Deadly precision

Propaganda death massacre

Learns to play

Corpses screaming

Through the night

In a blood lake grave

Orchestral dark horrors

Learns to dance

Death bells ringing

Through the abyss, rest in pain

Prepared for your mortal coil of agony

Campaigns killing through the earth, born to die

Celebration masterplan the latest kind of art

Death bells ringing through the abyss, rest in peace

Darkness falls by playing with their minds

Products fighting through the mud a total war

Soldiers of victory in a battle of rain

Death bells ringing through the abyss, rest in pain
