

## Denial

Holy Moses

I - can't believe what I feel  
I - can't believe what I see  
I - can't believe what I hear  
I - can't believe in me

You - try to ignore the signs  
You - try to live your life  
You - try to deaf and blind  
You - try to ignore the starfire

Can't you see - you're denying reality  
In this precious time  
How can you act so numb and blind  
I look at the future and I don't like what I see

I - can't ignore reality

I - can't ignore the pain  
I - try to do something and be against the grain  
You - try to live your life and don't care what it takes  
You - will never realize that all your life's just fake
