Denial

Holy Moses

I - can't believe what I feel I - can't believe what I see I - can't believe what I hear I - can't believe in me You - try to ignore the signs You - try to live your life You - try to deaf and blind You - try to ignore the starfire Can't you see - you're denying reality In this precious time How can you act so numb and blind I look at the future and I don't like what I see I - can't ignore the pain

I - try to do something and be against the grainYou - try to live your life and don't care what it takesYou - will never realize that all your life's just fake
