

Finished With The Dogs

Holy Moses

Ignorant I took my key - open that green iron doooooaaarr
Look around where is that dog - close the door nothing than sor
row

What kind of royal court - I want to safe my holy princeeeeeesss
sss
Here I have to change my life - didn't think he took his kniiii
eeefeeeee

Dogs - everywhere
Fear - in my brain
Pain - In my head
High - voltage in my heaaaaaadddddd

In the land of one black rasquill
Something wrath into my eyes

Finished With The Dogs

Dogs Andy

Now I've got to fight alone - only here to safe my bones

Dogs - everywhere
Fear - in my brain
Pain - In my head
High - voltage in my head

Dogs - everywhere
Fear - in my brain

Pain - In my head
High - voltage in my head

Finished with the doooooggsssss
