

# Rebirthing

Holy Moses

Welcome to a world of lies  
A life of killing hope  
Spattered by the soils of fate  
Welcome to a world of hate  
Depression in your soul  
The beast of time  
Kicked in your face  
Locked in your will  
Locked in your empty shell

Rebirthing - darken the skies  
Forever burn - energy to cry  
Robirthing - journey to rise  
Anguish behind - the answer is ripe

Welcome to a world of pain  
A life of dark buried thoughts  
When it turns against yourself  
Welcome to a world of hope  
Bitterness against your enemy  
The breath of time  
Kicked from within  
Energy in your mind  
Vulture in your soul
