

## Symbol Of Spirit

Holy Moses

Rise  
Burning the ghost  
Killing the peace  
It's getting high on you  
A symbol of a spiritual way

Eating the soul  
Drinking the blood  
It slowly rises on you  
A symbol of a spiritual day

Nocturnal angels  
Running through the space  
Violated virgins of the evil incarnate  
Waiting for a heaven in hell  
These angels cry  
When they start to die

Inspire these minds  
So easy to control  
Control of fate  
Fate to defend

Infected rebels  
Selling Satan Jesus Christ  
Surrounded by  
The guardians of morality  
Spreading the disease to rise  
Prepared to die  
When these angels cry
