

Kiss Me, Diss Me

Home Grown

I don't want to sit next to you
I can't believe you called me soon
Don't try to justify what you did to me

You're just one of those troubled girls
Using me for everything but love
Don't use excuses for what you did to me

You kissed me, and dissed me, but now you say you miss me
And you used me, confuse me, but you don't want to loose me
You don't talk to me, you don't acknowledge me any more, am just another score

I used to be all nice and sweet
Giving everything you want and need
I can't believe I did it all for nothin'

Now I'm bitter I can't take no more
Don't blame this on your bad childhood
That doesn't justify what you did to me

You kissed me, and dissed me, but now you say you miss me
And you used me, confuse me, but you don't want to loose me
Don't talk to me, you don't acknowledge me any more, am just another score

You kissed me, then dissed me, but now you say you miss me
And you used me, confuse me, but you don't want to loose me
Don't talk to me, you don't acknowledge me any more, am just another score

I will run away if you stay
Screw your head on straight so it stays
You don't talk to me, don't acknowledge me any more am just another score!
