

This Way

Home Grown

Here we are again
The same old argument
We've had so many times
Things never work out right, one step forward
There's always two steps back
You won't admit your false to keep your pride in tact.

Bring me down
Here we are again
Patience is wearing thin, you won't admit your wrong
You just keep holding on
One step forward, there's always two steps back
You won't admit your false to keep your pride intact
I wish it didn't have to be this way
I wish it didn't have to be this way

I've tried so hard to make things right
But nothings really changed
I wish it didn't have to be this way.
What keeps me holding on.
