

Why Won't You Leave Me

Home Grown

You said you've had enough, I've had it up to here but I'm still standing.

Screaming as you fall, I'm making this point clear but you're not listening.

Apologies are so unusual but it's the usual to make amends.

So why won't you leave me, I just want this to be over.

I need some time to think.

So why won't you leave me?

You're better off with him rather than me.

Don't deny the truth, I've moved on and you're still here.

Understand me.

With your crying eyes, wipe off all your tears 'cause I'm not listening.

Apologies are so unusual but I am comfortable to not be friends

.

So why did I abandon, ruin a foundation that we built?

Well I'm not committed to waiting and pleasing.

Make this clear.

So why won't you leave me?

You don't want this to be over.

I just need time to think.

So when will you leave me?

You're better off with him rather than me.
