

Hell Of A Guy

Home Town Hero

Lend me a shoulder
Over and over
I'm a misunderstanding
So why aren't you laughing
Do do do do do do do do do

I'm just a hell of a guy
I bet you're wondering why
You haven't heard of my name
But now I pay on my way

How did I hurt you
Look what I went through
Oh, my head wasn't working
I couldn't salute you
Do do do do do do do do do

I'm just a hell of a guy
I bet you're wondering why
You haven't heard of my name
But now I pay on my way
I'm just a hell of a guy
No matter how hard I try
I got a lot to say
You never feel quite the same

Do do do do do do do do do
Do do do do do do do do do

I'm just a hell of a guy
I bet you're wondering why
You haven't heard of my name
But now I pay on my way
I'm just a hell of a guy
No matter how hard I try, ya
I got a lot to say
You never feel quite the same
