

# Cash Is Money

Homeshake

Oh No, No more, make it stop, one, two ahhh

She's been looking at me sideways  
Even me and all my weekday  
It's too bad that you'll never know  
Cuz I can't, can't afford to let it show

She can't believe it, but I don't love you anymore  
I just don't feel it, even though the cash will keep me warm

You looks at it's where it's at  
Sorry girl I'll be right back  
She feels every second that it takes  
Not me every dollar I can't make

She can't believe it, but I don't love you anymore  
I just don't feel it, even though the cash will keep me warm  
She can't believe it, but I don't love you anymore  
I just don't feel it, even though the cash will keep me warm
