

Making A Fool Of You

Homeshake

Girl, it's been a long time since we spoke
Couldn't hear you over that fan
Thinking between a few jokes
It's getting me through the day

Normally I wouldn't say
Lately how you're feelin that way
Told me told tell you what to do
She's making a fool of you

Making a fool of you
She's making a fool of you
Something that you gotta lose

Fuck usually it rolls right off
Guess it's only my bad luck
Didn't want to be so soft
Doesn't matter anyways

Normally I wouldn't say
Lately how you're feelin that way
Told me told tell you what to do
She's making a fool of you
Making a fool of you
She's making a fool of you
Something that you gotta lose
