

## Not U

Homeshake

Wait a minute let me try and screw my head back on  
Could have sworn it's been a minute now that I've been gone  
Everybody's tossing bodies; making quite a scene  
Yeah, I guess it's okay if you want to talk with me

How it could have been, doesn't matter now  
What you would have seen, wasn't anyhow  
It turned out in the end  
And you wanted to be friends  
But it doesn't matter what you do  
Because I love her  
Not you  
Not you  
Not you  
Not you

Staring daggers like you think that it could change a thing  
Like you hate it, like her being here drives you insane  
Maybe you should take a walk and figure what to do  
Hope that this'll be the last time I'll hide pain from you

How it could have been, doesn't matter now  
What you would have seen, wasn't anyhow  
It turned out in the end  
And you wanted to stay friends  
But it doesn't matter what you do  
Because I love her  
Not you
