And all my bitches bad we getting cash  
But we gonna spend it all tonight  
So boo I'll do what I want to with you  
We gonna have fun tonight

I be South side clubin, 90's night  
And I'm at boo he was just my type  
I asked em what's his name and what he like  
He answered me and said, is it baby right?  
I told em I'm 19 and live a gold ass life  
But I'll tell what the 90s like  
And I am what these niggas like  
Just get me one night, Asian and take the pipe  
So what you're waiting for?  
You can like my outfit 'cause I'm from the north  
Young goddest, I can buy the stores  
Independent bitch, you can have yours  
Shit, we ain't got it, cup from the club  
We can have party and drink  
But if I make a move what the party gonna think still  
It's whatever 'cause the party is shit  
And I'ma show you the keys  
And you show me your dick ey

Tell all your homies we gonna be alone
