

## Icey Bitch

Honey Cocaine

[ Verse 1 ]

I was blessed with the skills to make a bitch feel like shit  
I got the traits of queen, so bitch it is what it is  
Tell my enemies remember me, as long as they live  
Cause I come through, I f\*\*k shit up  
Then I take yo' bitch  
Uhh, cut the lights out, ain't f\*\*kin' with a lame bitch right now  
Uhh, been about it from the 6th grade  
First time I ever hit a bitch face, first  
Excuse my attitude, still a goon gone do what she have to do  
All you hoes like snacks, f\*\*k a diet though  
I eat these rap bitches stay quiet ho

[ Hook ]

Off with yo' head then show me the bread  
I'm laughin' at you hoes, but I hustle instead  
Off with yo' head then show me the bread  
I'm laughin' at you hoes, but I hustle instead  
Can't help It If I'm icy bitch  
I'm just an icy bitch  
Can't help It If I'm icy bitch  
I'm just an icy bitch  
Can't help It If I'm icy bitch  
I'm just an icy bitch  
Can't help It If I'm icy bitch  
I'm just an icy bitch

[ Verse 2 ]

If you weak ass bitch don't yell for me  
Shout out all my homies from the LBC, yea  
From youngins to OG's, my arrest gold, you can tell it's me  
What up with it, competin' with a goon, good luck with it  
A shit load of dumb hoes copyin' me  
So a better yet, a motherf\*\*ka' cut from it  
I'm nice with the flows, I swear to God it's some fire  
Probably sign all you rappers by the time I retire  
From the streets, better show me cheese  
Bitch show yo' weave  
So original and G, follow my lead  
You'll be samplin' me
