

# No Grind No Pain

Honey Cocaine

2013, it's my year now,  
All of my supporters is what I hear now  
God and only god is what I fear now  
Money getting long, who's real now  
When you do it big all these people gonn switch  
Low motherf\*\*kers don't appreciate shit  
Niggas tryina holler like I let em hit  
f\*\*k chasing love, give a f\*\*k bout no dick  
Don't holler at me like we're friends and shit  
Ignoring what the hustle, don't pretend you rich  
Black card shoppin, you spending some chips  
Watch me wearing something, it be trending bitch

[Hook]

Heard you wasn't feeling my success  
Bitch you must've forgot, coca blessed  
Should have hit my stomach or chest  
But the shit only hit my flesh  
So I'ma hold it down like it's the last time  
No grind, no shine, no pain, no gain  
Hold it down like it's the last time  
No grind, no shine, no pain, no gain, nigga

So f\*\*king G I'm nice  
You hoes not original, you love to bite  
Yeah I love money but I don't love the life  
f\*\*k all the fame, I just love me the mike  
So I throw it up, I throw it up  
Been through it growing up, bitch growing up  
Now that I'm old enough, I'm old enough  
I show off when I'm showing up  
Bitch throw it up  
Been spinnin but you suckers all sleep on me  
Married to the grind she won't cheat on me  
Rap star but still got a key on me  
Couple g's on me, try to beep on me, hoe

[Hook]

Heard you wasn't feeling my success  
Bitch you must've forgot, coca blessed  
Should have hit my stomach or chest  
But the shit only hit my flesh  
So I'ma hold it down like it's the last time  
No grind, no shine, no pain, no gain  
Hold it down like it's the last time  
No grind, no shine, no pain, no gain, nigga
