## Honey Cocaine

[Verse 1:]

Money on my mind, I don't fuck with scrubs  
Everything criss, never fucking up  
This is why the world show me lots of love  
Ok, rookie in the game but I'm jumping up  
80 for the week, got some money to dump  
You floss at the club, but you're broke all month  
Thirsty ass niggas want something to hump  
Tell the DJ that Honey Cocaine shit bump  
Shoppin in Milan with my 7's on  
Smack a bitch straight, don't get me wrong  
I don't like to stunt, though my money is long  
Rather do shows than just rap these songs  
Haters tryina plot, the world is cold  
Money make a fool when they sell they soul  
Nah me nigga, my mind is gold  
Stay G, stay true, even if I'm broke

[Bridge:]

You're burnt out, you're burnt out  
Ah, better work bitch, better switch your perm out  
Your perm out, hahaha, ah  
You're burnt out, you're burnt out  
Ah, better work bitch, better switch your perm out  
Your perm out, ah

[Hook:]

You ain't never had a real bitch (alright, alright)  
I think rap really really needs a real bitch (alright, alright)  
And real bitches gon feel this (alright, alright)

[Verse 2:]

Fuckin with me ain't good for your health  
You mad what I'm doing, something good for myself  
Hold it down, either way bitch, fuck your health  
Ain't gotta act fake, or my homies can tell  
I really hate a lazy bitch  
Bring me one of those, I shake the bitch  
Ambition is the one thing that made me rich  
And man every day I was just game with it  
I hope these sluts learn from me  
Join the honey team, I turn you G  
Shut up when a real bitch speak  
Got a problem with me, I wet you in your sleep  
Hah, and I put that on rap, I don't give a damn if you think you bad  
Bitch I ain't your friend, I ain't smiling back  
Get the fuck out my face, with all of that
