

I Don't Mind

honeyhoney

I got a grave Within my chest You feel love That's where you rest
Oh my haunted heart Don't see your ghost But I wish it did Oh
I wish for that the most

'Cause you're mine You're mine all the time All the time it's in
my mind And I don't mind No I don't mind I don't mind it at all

So I spilled my guts All about you To some old stranger On some
old bar stool She held my hand and even shed some tears She said
some things just aren't meant to be my dear

'Cause you're mine You're mine all the time All the time it's in
my mind And I don't mind No I don't mind I don't mind it at all

Your blood and bones Real life love sinks me like a stone And I
'd rather live the love that's in my mind

So I pulled my money down And tightened my loose lips Oh I guess
I gambled all my sanity chips And I'm stockpiling memories that
don't even exist But I'll be laughing when I go down with this ship
