Gone

Honeymoon Suite

Like a fool she found me
In the late summer sky
Then came back to haunt me
on the fourth of July...
She told me,
"I'm ready to forget
I'm feeling hopeful yet
I'm moving towards our happy ending still
here's to a second chance
to love without regret
to living in the here and
now" you're gone.
When the rain hit the street
you'd prefer it outside.
That's the way she caught me,
She'll do it one more time
She tells me
I'm ready to forget
I'm feeling hopeful yet
I'm moving towards our happy ending still
here's to a second chance
to love without regret
to living in the here and
now you're
Gone
to the next,
you'll be gone before I catch my breath.
Hold on.
Because it it always ends too soon,
I'm gonna get over you.
You will not make me fall
You never had me after all
This time you dropped the ball
and I'm moving on with my life.
We search for something true
I found i'm better without you
And even though we're through
I can't help but look back and smile.
Na Na Na...
I'm gone
To the next...
I'll be gone before you catch your breath
Hold on.
Because it always ends too soon.
I'm gonna get over you.
