

Baby Please

Honne

I've been thinking about you girl lately
It's hard to get you out of my mind
And the choice I made didn't come lightly
And I think I'll regret this for the rest of my life

My baby please
Won't you come back to me
Oh my baby please
Won't you run back to me
Oh but baby please, please, please
Won't you come back
For the rest, the rest of my life
I've been trying to reach you girl daily
But I just can't get through to your line
And I would come knocking but I don't want to see who's replaced me
And I think I'll regret this for the rest of my life

My baby please
Now won't you come back to me
Oh my baby please
Run on back to me
Oh but baby please, please, please
Won't you come back
For the rest, the rest of my life
Oh baby for the rest, the rest of my life
Now won't you come back
Girl won't you come back

My baby please
Won't you come back to me
Oh my baby please
Won't you run back to me
Oh but baby please, please, please, please, please
Won't you come back

Oh my baby please
Won't you run back to me
Oh my baby please
Now run on back to me
Oh but baby please,
Won't you come back
