

# One at a Time Please

Honne

Hi, hello, welcome in  
Slow it down, why you bargain'?  
Woah one at a time please  
What a way to make me at ease  
How the hell'd you know that?  
Cause I didn't even know that  
Am I an examinee?  
Dot those Is and cross those Ts

Cause I might say some stupid things at times  
But don't we all? Don't we all? Don't we all?  
Cause I'm the one with my neck on the line  
What for? What for? What for?

You wanna give me  
A taste of celebrity  
I can't help but find that funny  
Cause that's not who I am  
I'm from a small town  
Down south with a bit of land  
Well how do I refuse now?  
When you won't back down

You better make yourself at home  
My life and yours are not one  
I gotta watch what I do  
Cause you're watchin' it too  
No I didn't say that  
Oh god did I say that?  
Well I... I didn't mean it  
Why did I say that?

Cause I might say some stupid things at times  
But don't we all? Don't we all? Don't we all?  
It's me who's got their neck out on the line  
What for? What for? What for?

You wanna give me  
A taste of celebrity  
I can't help but find that funny  
Cause that's not who I am  
I'm from a small town  
Down south with a bit of land  
Well how do I refuse now?  
When you won't back down

You won't back down  
No you won't back down  
You won't back down  
No you won't back down  
You won't back down  
Oh you won't back down, no  
You won't back down  
Well I'm just not listening

La-la-la-la-la-la-la-la-la  
Oh

La-la-la-la-la-la-la-la  
Oh no, no, no, no

You wanna give me  
A taste of celebrity  
I can't help but find that funny  
Cause that's not who I am  
I'm from a small town  
Down south with a bit of land  
Well how do I refuse now?  
When you won't back down

You won't back down  
No you won't back down  
You won't back down  
No you won't back down  
You won't back down  
Oh you won't back down, no  
You won't back down  
No you won't back down
