

# Top To Toe

Honne

I'm fallen top to toe, fallen  
In love, but my heart's not there  
I'm fallen top to toe, fallen  
In love, but my heart's not there

No, my heart's not there!

I live alone, I'm on my own,  
Won't you save me?  
I've got hope, but I need more than that  
You can help me,  
Bring me down to earth  
And I feel it my heart  
Feel it in my soul  
We both got problems,  
Don't you know?  
Get them off your chest,  
Put your mind to rest,  
She said

(2x)

I'm fallen top to toe, fallen  
In love, but my heart's not there  
I'm fallen top to toe, fallen  
In love, but my heart's not there

I walk alone, on my own  
Won't you lead me?  
There's a road, but I need more than that  
If you help me,  
No one will get by  
And I feel it my heart  
Feel it in my soul  
You and I have problems,  
Don't you know?  
Get them off your chest,  
Lay your mind to rest,  
Your mind to rest...

From my top to my toe  
Right from the word  
I was fallen, I was fallen  
Before you even know  
The crack start to show  
I was fallen, I was fallen

(2x)

I'm fallen top to toe, fallen  
In love, but my heart's not there  
I'm fallen top to toe, fallen  
In love, but my heart's not there
