

## My Own Way

Honor Society

I'm having trouble to believe I was ever on your mind  
It's getting harder just to breathe  
'Cause you left my heart on the battle lines

You played the game, you called the shots  
To get what you want but it's not enough  
So I come to you with a broken heart  
So before I go gotta let you know

Well, you never did care enough about me anyway  
So I guess it'd be best for both of us if I didn't stay  
Well, you never did care enough about me anyway

Left my heart on the floor now you know  
Gotta go my own way, I can't stay, my own way  
Oh, I can't stay, oh, my own way

It's getting harder to believe that you were ever on my mind  
It took a while for me to see  
Now I know that you were lying

Well, I played your game for long enough  
I took all the shots, in the end you lost  
You and me wasn't destiny, from the start wasn't meant to be

Well, you never did care enough about me anyways  
So I guess, it'd be best for both of us if I didn't stay, no  
Well, you never did care enough about me anyways

Left my heart on the floor now you know  
Gotta go my own way, I can't stay, my own way

Gave you everything but nothing's ever good enough  
I tried to be the one that you could call the one you can trust  
But the games have all been played and there's nothing left to save

You shut the door 'cause you have all the things you're hoping, girl  
Don't call me back 'cause you know that I'll keep going on  
I'm telling you I'm gone, I'm telling you

Well, you never did care enough about me anyway  
So I guess, it'd be best for both of us if I didn't stay  
Well, you never did care enough about me anyway

Left my heart on the floor, now you know  
Gotta go my own way, I can't stay, my own way  
I can't stay, my own way, I can't stay, my own way
