

My Own Way

Honor Society

I'm having trouble to believe I was ever on your mind
It's getting harder just to breathe
'Cause you left my heart on the battle lines

You played the game, you called the shots
To get what you want but it's not enough
So I come to you with a broken heart
So before I go gotta let you know

Well, you never did care enough about me anyway
So I guess it'd be best for both of us if I didn't stay
Well, you never did care enough about me anyway

Left my heart on the floor now you know
Gotta go my own way, I can't stay, my own way
Oh, I can't stay, oh, my own way

It's getting harder to believe that you were ever on my mind
It took a while for me to see
Now I know that you were lying

Well, I played your game for long enough
I took all the shots, in the end you lost
You and me wasn't destiny, from the start wasn't meant to be

Well, you never did care enough about me anyways
So I guess, it'd be best for both of us if I didn't stay, no
Well, you never did care enough about me anyways

Left my heart on the floor now you know
Gotta go my own way, I can't stay, my own way

Gave you everything but nothing's ever good enough
I tried to be the one that you could call the one you can trust
But the games have all been played and there's nothing left to save

You shut the door 'cause you have all the things you're hoping, girl
Don't call me back 'cause you know that I'll keep going on
I'm telling you I'm gone, I'm telling you

Well, you never did care enough about me anyway
So I guess, it'd be best for both of us if I didn't stay
Well, you never did care enough about me anyway

Left my heart on the floor, now you know
Gotta go my own way, I can't stay, my own way
I can't stay, my own way, I can't stay, my own way
