

Nobody Has To Know

Honor Society

Who's to blame?
A girl like you
With a guy like that
Oh, it's a shame
I love your frame
Mediterranean skin
Brightest blue eyes
Oh, it's insane

You're going crazy cause you can't
Find what you need
Come on baby let me get you
Get you up to speed
Time to party like it's
Midnight, new year's eve
Oh, oh, nobody has to know

You're going crazy cause you can't
Find what you need
Come on baby let me get you
Get you up to speed
Time to party like it's
Midnight, new year's eve
Oh, oh, nobody has to know

Later that night
I see you with your friend
She ditched that guy
Now the time is right
I say, "I'm Mike
And Honor Society's here
We'll rock the party all night"
Ooh, she said, "alright"

Oh, going crazy cause you can't
Find what you need
Come on baby let me get you
Get you up to speed
Time to party like it's
Midnight, new year's eve
Oh, oh, nobody has to know

You're going crazy cause you can't
Find what you need
Come on baby let me get you
Get you up to speed
Time to party like it's
Midnight, new year's eve
Oh, oh, nobody has to know

The night is still so young
We're still having fun
Stay until the sun starts rising, yeah
Forget all your cares
We can take it anywhere
Don't forget the after party

Going crazy cause you can't
Find what you need
Come on baby let me get you
Get you up to speed
Time to party like it's
Midnight, new year's eve
Oh, oh, nobody has to know

You're going crazy cause you can't
Find what you need
Come on baby let me get you
Get you up to speed
Time to party like it's
Midnight, new year's eve
Oh, oh, nobody has to know
Nobody has to know, nobody has to know
